

Stevens Institute of Technology

FIRST® Scholarship Application Summary

Description

In support of the *FIRST* mission, Stevens Institute of Technology is offering several merit-based scholarships, each for \$6,000/ year, to high school seniors who have participated on a *FIRST* team during their junior or senior year. This scholarship may be utilized by students planning to study engineering, science, math or computer science at Stevens Institute of Technology. The scholarship is renewable up to a total of \$24,000 over four years, contingent upon maintaining good academic standing. Each recipient must meet the regular academic requirements for admission to the university.

Eligibility

To be eligible for this scholarship, you must:

1. Be a senior in high school
2. Have participated at least one full season during your junior or senior year on a *FIRST* Robotics Competition (FRC) team or a *FIRST* Tech Challenge (FTC) team
3. Apply and be admitted to Stevens Institute of Technology as a full time student to study engineering, science, math or computer science. (However, you do not need to have already been admitted at the time you apply for this scholarship.)
